

Thank you for grabbing our SweetInsta WordPress Theme.

How to Change the Site Logo

- Navigate to Appearance menu -> Customize
- Select Site Identity
- Upload an image or Select an image from your WP Media Library
- Click the Published button

How to Change The Social Profile URLs

- Navigate to Appearance menu -> SweetInsta Settings
- Enter your social profile URLs on the provided fields
- Click the Save Changes button

Enjoy and have a good one!

Cheers,
Leo (WpThemePlugin.com)
